To the Farmers of Wright Co.

The last session of the legislature made an appropriation to provide for a nice exhibit from Missouri at the World's Fair at San Francisco next year. A part of this exhibit will be given over to agricultural products. I have been asked by one of the commissioners to call the attention of the citizens of Wright county to this matter. Remember that the products placed on exhibition next year must be raised this year. Let us keep this in mind and endeavor to raise some good products. Why can't Wright county send something to the World's Fair? If you are interested in this matter write to me at Dixon, Mo., or to J. A. Cunningham, Caruthersville, Mo. Very truly,
B. A. TAYLOR.

A BANK STORY

Smith owed Skinner & Co. \$5.00. He went in one day and handed them \$5.00 in cash. Skinner forgot to take it off his books, and the next month presented the same bill. He thought he had paid it, but, having no proof, SMITH PAID TWICE.

Jones owed Skinner & Co. \$5.00. He went in one day and handed them a check on this bank for \$5.00. Skinner forgot to take it off his books but the next month when the bill was presented to him, Jones balked. He said: "See here, Mr. Skinner, I paid that bill last month and here is the check which the bank has returned to me, with your name endorsed on the back, showing that you got the money." JONES PAID ONCE.

This illustrates only one of the advantages of a bank account.

SUPPOSE A MAN

Should walk up to you and offer you a genuine United States dollar for 50 cents.

You'd feel at first like calling the police.

But suppose he proved to you that it was a real, regular, sure enough dollar. You'd sit up and take notice, wouldn't you?

Well here is an offer along that line, but it is an offer for PEOPLE WITH BACK-BONE, the ones who are not afraid to take a CHANCE, and if you are in this class read on—if you are not stop right here.

Down in about the center of the State of New Mexico is a little city called Vaughn. It has close to 2,000 people and is growing. It is the only town in the entire state that has two trunk railroads—the Santa Fe and Rock Island lines, and it is also the division point on the Santa Fe. In fact it has every ear mark of some day being a "big Railroad city," so here is where you come in.

We are the selling agents for this town (we have sold a great number of lots at \$100 apiece.) Along with this we own a few lots which are only eight blocks from the Santa Fe depot. They are high and dry—perfect in every way and the title to them is also perfect. The size of each of these lots is 25 by 130.

What they are worth, we leave to you—SURELY \$5—and maybe some day they will bring \$500. That is left to the person with foresight—who judges the future by the past. But you must admit that it is worth \$5 to be able to say

I OWN A LOT

I have a warranty deed and abstract to a lot in a growing town in the great southwest.

That is what we offer you—A WARRANTY DEED, free and clear of all incumbrance whatsoever, together with an abstract of title for the small sum of \$5. And there are no building or other requirements.

Just write your name and address on a sheet of paper, enclose a five dollar bill and mail to us today. Your deed and abstract will be sent to you immediately.

Stop and think—you run no risk, because Uncle Sam would not let us use the mails if this wasn't a bona fide offer. Send today and get a choice selection. The first reply from each city receives a corner lot without extra charge.

Address, VAUGHN MANOR, 1303 Pontiac Bldg., Chicago, Ill.

ATTENTION, FARMERS.

Why pay the Old Line Insurance company \$10.00 per thousand when you can insure in the Wright Co. Mutual at actual cost? It has only cost us 25 cents on the \$100 per year in the last three years. Address J. L. Jackson, Secretary, Mt. Grove, Mo.

The Postal Life Insurance Company

pays you the Commissions that other Companies pay their agents

ON entrance into the Company you get the agent's average first-year commission, less the moderate advertising charge. Other companies give this commission money to an agent; the POSTAL gives it to you.

That's for the first year; in subsequent years POSTAL policyholders receive the Renewal Commissions other companies pay their agents, namely 7 1/2%, and they also receive an Office-Expense Saving of 2%, making up the

Annual Dividend of 9 1/2%

And after the first-year the POSTAL pays contingent dividends to policyholders—depending on earnings as in the case of other companies.

Such is the POSTAL way; it is open to you. Call at the Company's offices, if convenient, or write now and find out the exact sum it will pay you at your age—the first year and every other.
